Total Amount				USD

Specifications of water supply & drainage

- Water pressure : 1 kg/cm²
- Water supply size : 15mm(Ø) of inner diameter ball valve, 13mm(Ø) supply hose used for connection.
- Drain size : 25mm(Ø) of inner diameter hose used of connection.

Specifications of compressed air

- Volume : 10.2 m³/min (Max.)
- Pipe Size: 15 mm(Ø) of inner diameter ball valve, 13mm(Ø) supply hose used for connection.
- Air Pressure: 5-6Kg/m³ (Max.)

Terms and Conditions for plumbing services

- Upon application, water ,drainage and air pipes will be installed from the trench to your stand.
- Once the pipes are installed within the booth, the following steps including sink(wash basin) installation and connection to the exhibits must be done by the exhibitor. Upon the exhibitor's request, the plumbing supplier can be present at connection job for giving advice or any help.
- Exhibitors installing sinks must place drainage strainer. Food waste going into drains are the main cause of drainage clogging. Failure of drainage strainer placement can cause extra cost on the exhibitor in case of drainage clogging.
- Exhibitors requiring special plumbing requirements should state on this form for an individual quotation to be provided. Any special fittings for the connection of inlet/outlet pipes to the exhibit must be provided by the exhibitor.
- When the inner diameter of water supply, drainage and compressed air are different from the standard specifications, the right fittings

required should be prepared at the cost of the exhibitor's.

- In case shortage of water pressure may cause machinery malfunction, the exhibitors should equip protective device at the exhibitor's expense and responsibility.
- In case decreasing air pressure may cause machinery malfunction, the exhibitors are advised to equip protective device at the exhibitors' expense and responsibility.
- ***Please enclose 'Service Location plan' of your stand.***
- ***Any replacement,refund, relocation of equipment and fittings after the deadline of application is not available for free charge.***
- ***On-site relocation is very limitedly available, and shall be charged of surcharge as much as 50% of total amount.***

Price rate policy

- The prices stated in the order form is the incentive prices in terms of application and full payment before deadline.
- After deadline(15 April, 2022), the standard prices increased by 20% shall be applied.
- For on-site orders, On-site prices increased by 50% shall be applied.
- Value added tax shall be charged for 10% of total amount.
